

# **SAUA Robotic Surgery Group**

## **Mandate for Committee**

The SAUA established the Robotic Surgery Interest Group to represent the interests of Urological robotic surgeons. SAUA Members in good standing voted in this 7 person committee. The primary role of the group is open communication with medical aid schemes, other professional bodies and hospitals regarding all issues pertaining to robotic surgery, but particularly reimbursement, training and accreditation of surgeons.

## **Committee Members:**

Chairperson: Dr Greg Boustead

Gauteng representative: Dr Kabo Ijane

Western Cape representative: Dr Conray Moolman

Eastern Cape representative: Dr Greg Boustead

Academic Medicine representative: Dr Pieter Spies

SAUA Exco representative: Dr James Urry

Co-opted representatives: Dr Lance Coetzee and Dr Gawie Bruwer
